

Financial Tutorial Dave Ramsey Style.....

Your task is to create an iMovie displaying a tutorial Dave Ramsey style or a Vlog Rachel Cruz Style. (link to Rachel Cruz Vlogs <http://www.rachelcruze.com/topics/real-life-on-a-budget>)

Your topic on the iMovie can be on one of two things:

1. How to create a Zero Based Budget
2. Why it's important to maintain thorough financial records

You need to include 2-3+ candid interviews from students around campus and two-three minute tutorial/vlog with a clear ending- either a journal question or additional candid interviews.
