

CH6: What Will 'They' Think?

WHAT ARE SOME THINGS YOU ENJOY (HOBBIES)?

WHICH OF THESE WOULD YOU CHOOSE AS A PROFESSION?

WHY?

WHAT'S STOPPING YOU FROM FOLLOWING IT?

WHO WOULD HOLD YOU BACK (WHETHER IT'S MEANT TO BE 'FOR YOUR OWN GOOD' OR NOT)?

OKAY!!

NOW:

Think of **two** people in your classroom:

ONE person **you are friends with,**

and

the **other** someone you **wouldn't usually talk to.**

Thought of them?

Good job.

Now, look **on the next page** for further instructions :)

Go to one of the people,
and each of you talk about a hobby you would want to pursue as a
career, but can't/won't.

When you're done, brainstorm ways you can overcome the obstacles
stopping you.

When you both are done, go to your second person, and follow the
above again! :)
